International Schools

List your School Today!

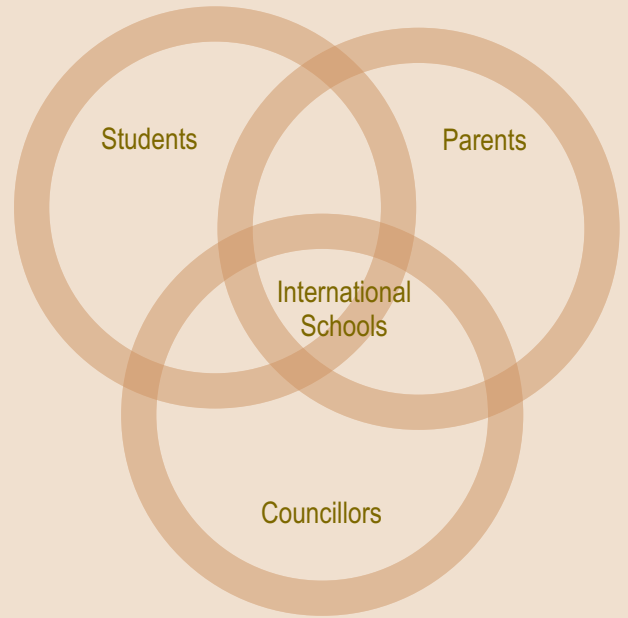

see inside for exciting listing options.....

As we move into the next era of higher education, the access to authentic information is gaining importance. Large choice of international schools offering multiple courses \makes decision making complex for the students & parents. Also full information on academics, sports, extra curricular, boarding, admission procedure, fees etc. are difficult to find at one place in easy to read format.

ISD International School Directory is an annual directory which fulfills a long felt need for a comprehensive guide focused on international schools with IB & Cambridge curriculum. ISD is a compendium of all global schools offering international education at primary, middle and senior school education. The publication aims to capture the complex information of global school education in the most comprehensive manner. Further it is designed to provide the reader basic factual information and signpost the way for further exploration.

Oberoi International School
 OGC CAMPUS
 Oberoi Garden city
 Off Western Express Highway
 Goregaon East
 Mumbai - 400063, Maharashtra

The 2021-22 academic year marks the start of Oberoi International School's 14th year of operation, and what a journey it has been to this point! The school opened its doors in August 2008 to an original, founding cohort of 38 students and by August 2020, the number of students enrolled at OIS had grown to over 2650 students from Nursery to Grade 12. From a first graduating class of just 15 students in 2011, 114 members of the Class of 2021 OIS has become one of the best IB schools in Mumbai.

Another watershed development marked the opening of the 2017-18 academic year: Our second campus opened (to students in Nursery – Grade 4) on the Jogeshwari-Vikhroli Linking Road (or JVL) in Mumbai, just a couple of kilometres south of the original OGC campus. We have had to adjust our nomenclature to distinguish between our two campuses, so we now refer to the original campus in Goregaon East as our "Goregaon Campus/OGC Campus," reflecting its location within the Oberoi Garden City development and the new campus is now referred to as our "JVL Campus," reflecting its location on this main east-west artery.

With OIS now comprising two campuses, the inevitable questions get asked: Will each campus serve different grade levels or different student populations? Will each campus run different programmes? Will the two campuses operate independently of each other or will they be connected in some way?

Oberoi International School (with its two campuses) employs the same guiding statements and philosophy, policies, procedures, fee structure, etc. We are committed to providing all OIS students the same high quality **International Baccalaureate (IB)** education, no matter which campus they attend.

Our Definition Of Learning:
 At OIS we believe learning -

- is an ongoing process that builds on prior experiences, transforms understanding and develops skills;
- happens when we are engaged, challenged and are reflecting throughout the process;
- happens through inquiry;
- can be an independent and collaborative process;
- happens when we are empowered and inspired to make a difference in our world and beyond;
- supporting the well-being of our learning community.

Extra-curricular Activities (ECA):

The ECA programme is designed to provide our students with an opportunity to have enriching experiences beyond the normal school day. The primary goal of ECAs is for students to have fun while learning important life skills and developing mastery of certain skills. The program is not competitively driven, but instead, is focused on exposing students to new experiences and enriching their lives. ECAs will allow students to try new experiences or participate in areas they are already passionate about. Each ECA aims to be student centered and to maximize student participation in the activity.

Art Speech & Drama, Film Making, Soft Skill workshop, Art fills, Photography Workshop, Skating, Football, Rock Climbing, Basketball, Swimming, Gymnastic Basic, Cricket, Table Tennis, Rip stick, Taekwondo, Karate, Kick Boxing, Squash, Mini Tennis, Ballet, Guitar, Rhythmic Gymnastics, Dance work-Hiphop, Western Vocal, Dance academy, Indian Vocal, Rope Mallakhamb, Yoga, Aerial Silk, Pole Mallakhamb, Zumba, Nutty Scientist, Sculpting & Moulding, Kathak, Otpi Robotics, Calligraphy, Chess, MAD Science NASA.

Our Statement on Human Dignity and Diversity:

As an international school, OIS recognises and respects the dignity of each individual regardless of age, culture, religion, colour, ethnicity, race, national origin, gender, sexual orientation, language, disability, economic status, creed, marital status, handicap, genetics or any other factor.

Our commitment to a diverse community helps us to achieve excellence by promoting a culture of learning, appreciation and understanding. Each member of OIS's community is expected to treat everyone with care and respect and to value and treasure our differences.

Baylor School, Chattanooga

The Baylor School admission process is all about finding the right fit. You need to feel that Baylor is the right school for you, and we want to feel that you will do well while you're here. To help all of us make the determination, we have designed an admission process that is informative, comprehensive and, we hope, hassle-free.

Each applicant to Baylor is assigned an admission counselor who will guide you through the process, and you should feel free to contact your counselor any time you have a question.

- Sections:**
- > Upper School
 - > Middle School
 - > Science & Engineering Program

After School Activities: Because exposure to new ideas, skills, lessons, and achievements is a valued part of the Baylor program, we offer a huge number of clubs and student organizations, various student publications, and more than 70 athletic teams.

All students are required to participate either in after-school athletics or an afternoon activity such as Community Service, Walkabout (our outdoor program), drama, dance, organic gardening and sports.

Baylor School
 171 Baylor School Road
 Chattanooga, TN 37405
 Tennessee, U.S

Head of School:
 Chris Angel '89

Tuition Fees Structure:

	6th to 9th	10th to 12th
Day	\$27255	\$27255
Domestic	\$55500	\$55500
International	\$59580	\$59580

Other required expenses like book, health fees, art supplies, uniforms, field trip, and senior fees will be extra.

Library: A \$1.5 million renovation of the Hedges Library transformed the space into an area that students and faculty love to visit -- further enhancing what has always been a vital part of the school community.

The open stacks and seating beckon visitors who step across the stone floor of the main entrance and walk through double glass doors. Windows once blocked by bookshelves or shades are now visible, and there are new large windows in place of wall space. All of the wonderful aspects of the space, such as the soft seating, the computer tables, are designed to draw students in — to make them feel comfortable and — to strengthen their connection with the library.

Learning via Technology: At Vienna International School (VIS), we harness learning and teaching technologies to support inquiring, inspired and involved lifelong learners. To ensure this, we are committed to policies and practices which entrust that our community members:

- are empowered as a learning community to become digitally fluent through safe, balanced and discerning use of digital technologies.
- will have equitable access to authentic learning experiences through the purposeful use of learning and teaching technologies.

The school traces its beginnings back to a small school established in 1955 under the patronage of the British, US and Indian Embassies, in order to educate about eighty children. They were left without English-language schooling after the army schools closed at the end of the allied occupation of Austria. The rapid growth of the school and the differing qualifications required by the North American and the British school systems led to its division in 1959, resulting in the English School and the American International School.

Facilities for Students:Transportation, Catering, Learning Support, English Language Acquisition, Care, Counseling, University Advice.

Director: Dr. John Zuman
